OTHERS, specify											

Apples available: lots of apples considered by the producer as not sold.

- 1) Indicate all the apples belonging to you, even those in storage facilities.
- 2) Ensure that this information is accurate and complete. If need be, you can modify the quantities of available apples by completing the Declaration of Stored Inventories'updating form online, through the bulletin board, or make a copy and send it to the Federation.
- 3) If applicable, notify the Federation of your refusal to offer your available apples for sale through the bulletin board by ticking the "refusal" box

refusal
